

**National Mill Dog Rescue™**

**Thank you for considering donating stock or securities to National Mill Dog Rescue.**

Since 2007, National Mill Dog Rescue has freed over 17,000 dogs from the commercial dog breeding industry. Our dogs are true survivors, and we are often their only voice and path into a loving home. You, our donors, are their only hope for our continued success.

When you gift stocks and other securities directly to a charity, you make an outsized impact without taking money directly out of your bank account. Plus, neither you nor the charity will be taxed on the gains for appreciated assets you donate.

That's a triple-win.

Please let us know by email [tommie@nmdr.org](mailto:tommie@nmdr.org) or call 719 683 3334 when you are ready to process a donation and we will provide you the necessary account information to process the donation.

We are not notified when stock is transferred/donated into our brokerage account so it is important that we have your information so we can watch for the donation, capture it in our donor system, and send you an acknowledgement.

Thank you for your generosity and considering National Mill Dog Rescue for your stock giving.
